

*A list of the various ways
to serve within the church*

Children's Ministry Council

If you have a heart for kids age 3 to 5th grade and would like to help set the vision for children's ministry, this group is for you. CMC meets once per month on Monday evenings to oversee and support ministries like Sunday Connections, Children's Church, Chapel Kids, Children's Choirs, VBS, and family events like Fall Jam.

Youth Ministry Leadership Team

The YMLT provides leadership, planning, guidance, and logistical support to our youth ministry (grades 6-12). Youth parents (and others who feel called to work with our youth) are urged to participate. YMLT meets on the third Monday of the month.

Hospitality/Greeter Team

If you like to meet and greet, this is the team for you! Team members are posted at each outer door and at each inner door prior to each Sunday worship service.

Outside Welcome Team

This team is posted in the parking lot on Sunday mornings prior to each worship service and braves all kinds of weather in order to welcome all our worshipers before they ever make it to the door!

Bread of Life Team

We want our guests to know how important they are to us, so this team delivers a loaf of delicious homemade bread to the homes of our first-time guests—a great reminder of the real "Bread of Life." Each team member delivers bread one time per month, usually on Sunday afternoons.

Youth Supper Team

This team supports our youth ministry each Sunday evening by serving supper to our 6th-12th grade students as a part of their youth meeting time. Teams rotate (one Sunday per month) to help set out, serve, and clean up food in the Youth Barn.

AV Team

This team handles audio-visual needs of the church on Sunday mornings and at other times for special events.

Sunday Morning Hospitality Team

These dedicated servants set up and clean up the “hospitality time” on Sunday mornings (aka sweets and coffee before Sunday Connections). They prepare tables, make coffee, fix hot water, and set out creamers, sweeteners, cups and the delicious baked goods that are provided—and clean it all up!

Altar Guild

The Altar Guild is made up of women and men who tend and prepare the altar table and pulpit for worship (which mainly consists of changing the paraments—the colored clothes on altar table and pulpit—keeping candles filled with oil, and putting up banners according to the liturgical calendar).

Flower Delivery Team

The beautiful flowers in our sanctuary do not just stay in the Worship Center each week to wilt and die. They are divided into smaller arrangements and shared with those who are shut-in or sick or need to be reminded that they are loved. This team delivers not only lovely flowers, but also the gift of their time with those who are in need of comfort. Team members rotate to deliver flowers approximately once every 6 weeks.

Flower Arranging Team

Several people serve on a rotating basis to purchase and arrange the flowers that beautify our worship center each Sunday. Funds are provided by donors, not by the flower arrangers.

Tabitha's Heart Yarn Ministry

All who love to knit or crochet are encouraged to join this group on Tuesdays at 7:00 p.m. at the home of Tina Armistead (7972 Oakmont Ct., Columbus). We provide gifts such as prayer shawls, baby blankets, and premie hats to those in need of comfort and love during stressful times.

Prayer Team

We're devoted to lifting up needs of our congregation and our community in prayer. We pray for congregational needs that are submitted via the prayer request spaces in the Sunday worship bulletins. In addition, we send bereavement cards, coordinate grief books that are given to families, and provide pray-ers during Holy Communion.

Bereavement Team

When a church member suffers a death in the immediate family, this team lovingly offers to provide a meal. This is a wonderful ministry for those who have limited time but loving hearts, and who desire to minister to families at a time of great need.

Meal Ministry Team

Plans are underway to refresh our meal ministry and they are looking for cooks who are interested in being on a rotating team that will prepare a fresh meal for those recovering from significant illness or injury.
