Mission on the Move Honduras

We had a team visit Mission on the Move in Honduras in June and they had an amazing week! This team of six ladies was able to spend lots of time with the kids and staff on the Santa Elena campus by leading VBS and after-school programs, celebrating birthdays and doing some medical assessments. They also were able to help with some needed painting and tasks on site.

This was the first trip back to MOM in Honduras since AJ Ford's new shift into leadership and since Covid-19. Trips like this help to keep us connected & build relationships with partners.

>>Next year's trip is July 21-28, 2025. ✈️

Meet Hannah Gellar! Hungary

“Teaching is something that I have felt called to for a long time. I have spent the past three years working at a Christian preschool. God has recently enhanced the vision of sharing the Gospel by placing it in my heart to teach children and their families overseas.”

Hannah Gellar is one of our new missionary partners! In April, Hannah visited UWF & Sunday Connections classes to share her plans to move to Budapest to serve as a teacher in a school development project with One Mission Society. She will be able to share the gospel with un-reached children and their families every day in Hungary, a nation that has very few believers left.

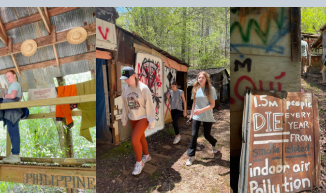

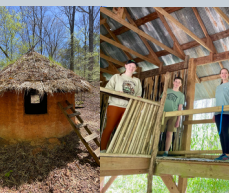

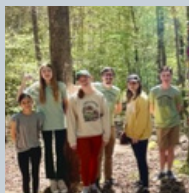

>>Follow Hannah at www.hannahsbudapestjourney.com

It's estimated that only 3% of Hungarians identify as Christians.

Servants in Faith & Technology SIFAT

Youth students had the opportunity to visit SIFAT's Global Village & neighborhood slum to see how people live all over the world. They learned about the use of technology, like rocket stoves, bio-sand filters, etc., which helps improve conditions for people living in these settings.

Faith Promise Update

Faith Promise is Pierce Chapel's mission offering. It is a commitment made between you and God.

How has God provided your Faith Promise?

Clement Arts

Dear Pierce Chapel,

We wanted to thank you and your team for the wonderful goody bags you contributed to the "Kids Day Out" event. We were able to serve 78 kids that day and will use the remainder of the bags during a future event. Thank you for your continued support of Clement Arts!

-Christal Gavin

Open Door Community House

Open Door put out a plea for water & snacks to serve to kids attending Matthew's Promise Academy this summer. Your Faith Promise funds helped provide some healthy treats & bottled water to this group as Open Door provides a fun, safe place for kids to learn & play this summer!

Disaster Relief

Our May Wednesday Night Supper series concluded with a church-wide disaster relief bucket packing. Members brought in donations and we also used funds from Faith Promise to purchase additional items. These buckets were sent with our team in May when they went to volunteer at the Disaster Warehouse. Thank you for caring for those overwhelmed and displaced by natural disasters.

TMS Global

Please keep Todd & Pam Attaway, and the young adults of the Greenlight program, in your prayers as they travel & minister in Cambodia & Thailand.

We've been invited back to serve missionary kids & families at TMS' Regional Gathering for Europe & Asia in Jan. 2025. If you're interested in this opportunity, email roseanna@piercechapel.com.
